## Coming Up

### Saturday 29 August

31 Aug – 2 Sept

Thursday 24 Sept

### PTA Trivia Night – postponed – date to be confirmed

Year 6 Camp – to be confirmed next week

School disco

What an amazing job everyone is doing! The students seem to have settled right back into distance learning – isn't it so much easier the second time around? I have touched base with teachers, and they also seem to be going well – enjoying Zoom contact with their classes, responding to questions and coming up with creative ideas to engage your children at home. I certainly hope you are all going well too.

I know we are all awaiting the update from the government tomorrow with bated breath and with fingers crossed that we can move to Level 2 soon. In the meantime, please read the requests for information below and remember to keep an eye on the website for updates.

## Community Survey - PLEASE click on this [link](#) or scan the QR code

A reminder that the Board wants to hear from you. This may well have come off your radar with us going into lockdown the evening we put this in the newsletter. Your input on various topics is welcomed and is a vital perspective to inform decision-making in the school. The survey will now close **Friday 4th September**. The survey will take **10–15 minutes** to complete. We suggest that parents spend some time together discussing the questions and responding.

We will be back in contact about the planned Chinese community meeting; in the meantime, please complete the survey if you possibly can.

## Learning Supervision at school

We have a small number of students who are receiving learning supervision at school as their parents are essential workers. If you need to go to work and cannot work from home, please complete this form so I can confirm staffing for our learning bubble at school. [Learning Supervision 24 - 28 August](#)

## Moving to Level 2

Once we move to Level 2, the school will again be open and all students should attend unless they have a medical condition that would put them at risk. We will reinstate the check-in process at the gate for parents who MUST come on site (our preference is that you leave them at the school gate).

We will be insisting on appropriate health measures:

- Regular washing of hands, and always before eating
- Hand sanitiser at main entrances
- Face masks are not mandatory but many of us are wearing them now so please feel welcome to supply your child with them

I will be back in touch once we know more. In the meantime, take care and keep safe – *Alison*
