As we head into the last few weeks of what has been an 'interesting' term, students are busy setting learning goals for the future and preparing for Three-Way Learning Conferences starting next week. If you have not yet booked your slot, please see the information below.

Photolife have been in school this morning to celebrate this moment in time for your children. Codes to view your pictures will be sent through once processing has taken place, this usually takes a few weeks.

This evening our newly trained student coaches (pictured right) will show off their skills to family members; it has been fantastic to watch these young people grow more confident in supporting their peers to handle problems and set goals.

Snuggle up with a Book Day

Thank you everyone for coming to school dressed up last Friday. It was great to see so many creative costumes and snuggly outfits. The School Council now has an enormous pile of cans for the City Mission. Here is a picture of just some of the collection – thanks Kevin and Sam for the loan of the wheelbarrow!

Intermediate open evening

Are you starting to think about where your Year 6 student will be going for Year 7 & 8? Come to the open evening on Thursday at 6:30pm in Room 15 to find out more about intermediate education at Kohia. If you have friends who are interested, send them along too. We usually open a few balloted places, depending on numbers.

Be safe at the gate

When dropping off children at the front gate, please remind them to walk along the striped pathways and avoid the car parking area. If you are dropping off children in the driveway turning bay, please do not get out of the car; stop just long enough for your children to get out safely, then drive off to avoid holding up the flow of traffic.

Library books – do you have any at home?

It was wonderful to see so much reading while we were learning at home. If you borrowed a book from the school library over this time, then please return it as soon as possible; there are many outstanding loans. There also are a few unexplained absences from the library, most noticeably the whole Timmy Failure series; please keep your eye out.

Three-Way Learning Conferences (3WLC)

Bookings are now open for our Three Way Learning Conferences on Thurs 25th June, Tues 30 June or Thurs 3 July. Go to www.schoolinterviews.co.nz, MAKE A BOOKING and then use the event code **h5kyp**.

Please remember that the conferences are 20 mins to allow for some rich sharing of information as a result of distance learning. You will have access to your child's learning progress and achievement information through HERO from this time.

We look forward to seeing you in school for these important meetings.

Keeping it Kiwi update – our 2020 fact-a-thon

Fact suggestions are coming in thick and fast for our fact-a-thon. Thank you for your contributions. For those who have a last-minute idea, use this [LINK](#) before 4:30pm this afternoon.

The final list of facts that will be in the 'quiz' will be revealed next week. As mentioned last week, we are fundraising for our wonderful music teacher Micaela, the robotics resources for use across the school, and the development of garden areas behind the hall.

Have a lovely week – *Catherine*

The PTA will be holding a second hand uniform sale next Wednesday, 24th June at 2:30 in the foyer beside the office. A limit of 6 items per family will apply until 3pm. It's not too late to donate items for the sale so if you have any outgrown or surplus items that you would like re-homed, please drop these off to the office. All proceeds from the uniform sale will go towards our PTA fundraising for the year.

**Children's Community Dental Service (Auckland Regional Dental Service) during COVID-19 Alert Level
1**

Some of our dental clinics will be open during Alert Level 1. We will be offering appointments to children with the most urgent dental care needs. Our staff will be in contact with the parents/caregivers of these children to book appointments.

We will contact parents/caregivers of children who are due for their routine appointments in due course.

We are unable to put a timeframe on this at present, which means there may be delays in routine appointments.

If your child is in pain, or if you have any immediate concerns about their teeth, please phone 0800 TALK TEETH to speak to one of our therapists. The therapist may offer an appointment for your child if required.

We kindly ask that you do not present to the clinics if you don't have an appointment booked. This is because we need to ask all parents/caregivers and patients COVID-19 questions over the phone before booking an appointment. This is to protect our staff and other patients in the clinic.

If you have any questions, please email ARDS@waitematadhb.govt.nz.

Thank you for your understanding and support during this time.
