Quick look:

- Bounce and Balance Challenge
- Term 2 Wellbeing

- Paid Union Meetings

We have a really busy fortnight coming up with various activities and celebrations planned. Our student council has planned a great House Week. Sheppard house members started the week off really well with their masquerade. Hillary also enjoyed their Wheels Day today despite the showers passing through. As it is House Week this week, the

Sheppard 'wear house colour' day will be on Wednesday in week 10.

The student leadership team attended a leadership training day last week and gathered up lots of ideas about when and how to lead within the school.

It has been really good to have the builders move off site properly. Astley Construction has been a really great company to work with and we are delighted with how our renovated classrooms have turned out. There are a few outstanding jobs to do, which will be completed over the upcoming two-week holiday break.

Learning Post

Our end-of-term learning posts will be coming out at the end of the week. This time it is a learner competency post around whanaungatanga; students have been learning about how to build positive relationships through words and actions.

We will also be sharing the mid year achievement graphs next week - so please make sure you are logging into HERO to see the progress your child has made over the last 6 months.

Paid Union Meetings

We have a number of staff off-site attending Paid Union Meetings on Thursday afternoon. The Year 4–6 students will be supervised in the hall whilst they view educational digital programmes. We had suggested that students could be collected at lunch time, but we have a good plan in place as detailed below. If you have already made arrangements, please inform your classroom teacher and sign your child out as normal via the office.

Year 1	Year 2	Year 3	Year 4	Year 5	Year 6	Year 7 & 8
In class	In class	In class	In the hall	In the hall	In the hall	In class

Pick-up etiquette

When using the drop off/pick up zone please be aware of other parents collecting their children. When waiting before the bell please move forward to allow others to use the area. Once students have begun leaving school please assist traffic flow by turning back into the road and returning to the circle or park and wait for your child along the street. Parking spaces become available quickly after 3:00pm. We need to encourage flow as cars build up on Kohia Terrace and cause even more congestion.

Have a good week everyone – Alison

BELONGING TO KTS

Term 2 Wellbeing

This term in Kohia Kōrero (circle time) we have discussed, understood and embedded the new Kohia Kaitiaki 'Care and Respect'. In Term 3, the Kohia Kaitiaki we will be focusing on is 'Persevere to Achieve', where we will be exploring wellbeing concepts around resilience and growth mindset.

The KTS classroom, buddy and learning coaches have done a fantastic job supporting KTS students and teachers, in both the classrooms and the playground, throughout Term 2.

The exploration and celebration of the diverse cultures that make up the KTS school community have continued during our fortnightly assemblies. This term we have enjoyed celebrating Chile, The Philippines, Vietnam and Republic of China - Taiwan. Next week we look forward to finishing the term celebrating Scotland with Room 8.

June the 21st was *International Yoga Day*. We are so lucky at KTS to have Miss O'Connor, who is also a professional yoga teacher! She spent the day leading yoga and guided meditation sessions for every class in the school. Next term, Miss O'Connor is starting a student yoga club, which will help support students' physical and emotional wellbeing.

Balance & Bounce Challenge

We are very excited about this year's 'a-thon' – a balance and bounce challenge which is a nice move away from some of the more academic foci over the last few years. We have planned a number of physical challenges for our students, depending on their age. Some of these will remind you of your own childhood, so you will be well placed to help your child out. So, what do we have in store?

single rope, long rope, basketball dribble/bounce pass, hopscotch, moon hoppers, hula hoops

Year 3 & 4 70 mins – 10 mins per activity*

single rope, long rope, elastics, hopscotch, moon hoppers, knucklebones, basketball dribble

Year 5 & 6 80 mins – 10 mins per activity*

Year 7 & 8 90 mins – 10 mins per activity*

Balance and Bounce Prizegiving Assembly

Sponsorship Forms will be coming home next week. We would really appreciate it if each student could collect sponsors for the time they are going to be challenged to balance and bounce. If every student brings in \$40 of sponsorship we will make over \$15K, which will go a long way towards funding our new gardens behind the hall.

Teachers will be spending time on the different challenges from now – so the skipping ropes, hopscotch mats etc will all be out in force. You may even like to get those skipping ropes out at home over the holidays to practice.
