Quick look:

- Cross Country/Fun run

- Learning posts available to view

Thank you to those who came to support our cross country and fun run today. It was wonderful to see students challenging themselves in the competitive races. The fun run was an innovation to ensure greater inclusivity and encourage enjoyment in being active. Thank you to Rachel Ogilvy and the sports leaders for their creativity and organisation.

Our second learning post for the term has now been published, once again, enjoy some discussion time with your child on what they have achieved.

A couple of reminders for the rest of the week: Sheppard students can dress up as a character on Thursday if they wish and we have our Teacher Only Day on Friday when we will be inquiring further into our Maths pedagogy.

Wintery weather is creeping in; our thoughts go to those in the South Island who are coping with flooding damage and school closures. With the colder weather there have been many non-uniform sweatshirts appearing in the morning; please ensure your child's clothing recognises the uniform code – there may be additional second-hand fleeces available for purchase if you need one. There is always additional traffic on wet winter days; please consider the safety of our students and respect the access rights of our neighbours when dropping off and picking up.

Enjoy the long weekend – fingers crossed for sunshine and clear skies.
