- House week

Welcome to another new student – Teresa started in Room 1 on Monday.

The shortest day is now behind us as we move through to the last few weeks of term; the thought of lighter mornings is very appealing. There was much excitement as our Year 2 students explored their new learning environment on Monday morning. It is great to have our building work almost completed, the finishing touches are underway. We should be completely back to normal by the end of the week, with the fencing, scaffolding and bins going over the next few days.

There are several events coming up so please keep an eye on the calendar and see the various sections of this newsletter for more information.

Harakeke team presented some wonderful writing about Turangawaewae and migration on Thursday afternoon. Creativity and self expression were clearly evident as students engaged confidently with their audience of parents and peers. Thanks to Rachel Ogilvy and her team for their work in putting this event together.

It was International Yoga Day yesterday. Thank you to Ms O'Connor who gave students an opportunity to try out a variety of poses!

House week

Next week each house celebrates their house day with activities planned by the house leaders. Feel free to wear house colours on your day. Each house will meet for lunch together.

Monday	Sheppard	Masquerade – be part of a masked parade. If you don't have a mask, make one with us at morning tea.
Tuesday	Hillary	Wheels day – bring a bike, scooter or roller skates, and of course a helmet. Please label your wheels if you can.
Wednesday	Snell	Time to explore your artistic skills – create a collaborative art piece about Kohia Kaitiaki and group lunch
Friday	Te Kanawa	Dress up as your idol – who would you like to be? Get your photo taken and join the rest of Te Kanawa for lunch and games.

Travelwise update

The Travelwise team did an awareness activity around the use of pedestrian crossings last week. Students carried zebras across the road for a bit of fun.

Strategic Update - Supporting our English Language Learners.

Staff have been engaging in professional development to help support the learning of English across the curriculum. The focus has been on explicit planning and teaching around language features and structures. The English Language Learning Progressions (ELLP) is a document that supports the assessment, planning and teaching of the English language. We are currently adapting the 'speaking and listening' sections into 'child speak' to be used by both teachers and students, allowing for greater student agency and improved monitoring of progress.
