1. Welcome

2. [Parent Liaisons](#) - who are we all?

3. Fundraising Target for 2020

- a. This year’s target is \$30,000
- b. We had a discussion about what we would like the money to be tagged to this year. The following items were decided on:
 - i. Robotics resources – school wide – \$10K
 - ii. Development behind the hall – raised garden beds, composting, beehive \$7–10K
 - iii. Music teacher (1 day a week) \$15,000

Apart from what the Ministry of Education pays for, other income streams are voluntary donations, international students and PTA fundraising. These are vital to keep our programmes running to such a high standard.

Questions have come up from parents about donations – we have now highlighted the information about this in the newsletter and on the [school payments section of the website](#).

5. PTA Events 2020

- Colour run – 6 March
 - Becca to get the colour
 - Erica to bring in sample of container for curries
 - [Parent roster](#) - will go out with the newsletter
 - [Curry and Rice Offers](#) - currently only 3 volunteers - PLs to spread the word
 - Samosas - does anyone know of a good supplier?
 - Have cash and eft-pos stations. Include an example of the food at the pay station.
 - Two loops of the course - races were too fast last year.
 - Fence it off
 - Containers for leftover curries to sell to take home
 - Becca to send email to PLs to send out to their classes with links to the curry/helpers rosters.
- [Dragon Boat Race](#) – 25th June
 - The aim has been to find an event that is inclusive for the Asian community - driven by the Asian community
 - Steve has been liaising with members of the Asian community regarding a possible Dragon Boat race (on land) for the whole school community (see link above for pictures). Boats could be in house colours, could include dragon dance, Chinese cultural dance group performing, Asian food sold etc.
 - Consensus that this is a good idea - agreed to progress. Steve to go back to Chinese community to progress ideas.
 - Suggested moving it to the end of the year when the weather is better and daylight saving has begun.
- Trivia Night - date to be confirmed. Tina, Wendy and Alison to discuss.
- A-thon - something simple, ideas: spellathon, wheels-athon, obstacle course

- Music concert - Alison to discuss with Micaela
- Calendar Art - Term 3
- Disco
- Uniform sales (first sale on Friday made \$874.50)
- Cook Book
- Sales of items e.g. soaps, suncreams - not too popular
