Disco	\$2753.39
Music Bingo	Provisional amount: \$7397.23
TOTAL	\$22,523.15

2. PTA Events 2022

Term 3 Review

- Music Bingo Night

A lot of work. Very successful, but need to find a way to get more families involved. However, Music Bingo attracted a few different people than would normally come to Trivia Night.

Really hard to get people to come along. Selling individual tickets rather than the focus on tables may help.

Nathan did a great job - warm up activities were very successful, the evening ran smoothly and at the right pace.

Do people know about the fundraising goals of the PTA?

Need to have a goal/focus to fundraise towards so people know what they are contributing to, and this needs to be advertised more.

- Add a section to the website for the PTA
- Add a section to the Hero app to highlight PTA events
- Do a short presentation at the meet the teacher events/International Night explaining what the PTA does

- Disco

This was very organic (run by the kids). Dance competition went on quite long. Timings need a bit of tightening up

Next time, pre-cook sausages or start BBQ earlier

Kids missed the glow sticks - next time look into environmentally friendly options

Term 4

- Ice cream sale Friday 9 December

- International Night - Thursday 1 December

Food to be available from 5pm, performances from 5:30.

Performances from classes, cultural groups etc.

Tina has set up a [sign-up sheet](#) for people to contribute food for three food stalls: South Asian/curries, Asian dumplings, Baked goods, with a coordinator assigned to each.

There will also be a sausage sizzle

Jugs of drinks (Raro, water)

Henna stall - keep it simple and free, three simple designs to choose from.

Intermediates can help.

Sell bowls/food tickets at a payment station so no need to handle payments at food stalls

Families can still bring their own picnic

Food on Year 6 deck, performances in the hall. Alison to ask the builders to move the fence in a bit on that day so there is more room on the courts.

3. 2023 events

- Lego Show booked for 30 July 2023. Key is to publicise it to get people from outside the school to come along. Facebook page, signage etc.
- Colour Run Holi for the year 2023 is celebrated/observed on sundown of Monday, March 6th ending at sundown on Tuesday, March 7th. School event to be held on **Friday 10th March**. Becca to buy colour
- Lawn bowls (parent event) at Mt Eden or croquet party (Melville Park) - cheap to hire. Term 4 perhaps when the weather gets a bit warmer.
- Samosa sales hold two sales (Term 1 and 3) - three was too many this year
- Winter breakfast or Mother's Day breakfast, or fit one in with a discussion on new curriculum
- Hold a raffle, and get each child to sell a book of tickets - much easier than a whole big event, and get more return on the time invested gathering prizes

4. Other business

- New fabric for Intermediate uniforms - sample provided looks great
- A huge thanks to Tina for all her hard work this year as PTA Chair. PTA Chair for next year - a couple of options under discussion, perhaps co-chairs?
- Clean out of the PTA cupboard - a keen group of PTA members have volunteered.
