

Home Zone Enrolment STATUTORY DECLARATION

NOTE: TO MAKE A FALSE DECLARATION IS A CRIMINAL OFFENCE

The Ministry of Education has advised that parents should be warned of the possible consequences of deliberately attempting to gain unfair priority in enrolment by knowingly giving a false address or making an in-zone living arrangement which they intend to be only temporary. For example:

- Renting accommodation in-zone on a short-term basis
- Arranging temporary board in-zone with a relative or family friend
- Using the in-zone address of a relative or friend as an “address of convenience”, with no intention to live there on an ongoing basis.

If the school learns that a student is no longer at the in-zone address given at the time of application for enrolment and has reasonable grounds to believe that a temporary in-zone residence has been used for the purpose of unfairly gaining priority in enrolment at the school, then the Board of Trustees may review the enrolment. Unless the parents can give a satisfactory explanation within 10 days, the Board may annul the enrolment. This course of action is provided for under Section 110A of the Education Act 1989.

The school retains the right to make inquiries necessary in its opinion to obtain information that may assist it to reach a decision in any particular case. This could include a home visit.
